“For the grace of Baptism to unfold, the parents’ help is important. So too is the role of the godfather and godmother, who must be firm believers, able and ready to help the newly baptized-child or adult on the road of Christian life. Their task is a truly ecclesial function (officium). The ecclesial community bears some responsibility for the development and safeguarding of the grace given at Baptism.” #1255 Catechism of the Catholic Church.
